Non-Partisan Ballots

Purpose:

In an effort to remove party line voting and partisan generalizations, this initiative intends to strike party affiliation from the ballot.

This initiative amends the California Constitution, Article II, Section 5 (b), to add a "not" before the word "have".

The amended text would look as follows (with the new text in bold and underlined).

"

(b) Except as otherwise provided by Section 6, a candidate for a congressional or state elective office may **not** have his or her political party preference, or lack of political party preference, indicated upon the ballot for the office in the manner provided by statute.

"

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

NONPARTISAN BALLOTS. INITIATIVE CONSTITUTIONAL AMENDMENT. Bars candidates for United States Congress or state elective office from listing their political party preference, or lack of political party preference, on the election ballot. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **No direct fiscal effect on state or local governments.** (15-0053.)
